Case No. 4:22-cr-612

Cooperman, et al.

The Honorable Andrew S. Hanen

Defendants.

United States' Response to Defendant Cooperman's Motion to Continue

The United States, by and through undersigned counsel, respectfully responds to Defendant Cooperman's Motion to Continue, which listed the United States as opposed to the Motion (ECF No. 361). As communicated to defense counsel, the United States is only opposed to a two-week extension to Defendant's requested date of September 8, 2023. In an effort to accommodate counsel, the United States made clear it does not oppose a one-week continuance of Defendants' exhibit deadline to September 1, 2023. Such a reasonable continuance would allow all other pre-trial deadlines to remain in place, notably the motions *in limine* deadline of September 13, 2023, which would be difficult to meet with a September 8, 2023 deadline for defense exhibits.

Dated: August 22, 2023
